

WEDDINGS

We offer Limousines for hire for Weddings throughout Perth

Weddings are our speciality and we know that transport should be stress free on the big day. We also know that it's the one day that a bride is also a princess. Which is why we spoil them! Our limos are definitely romantic - perhaps that's why we've had some clients pop the question in them....and why it's always "yes!"

We'll help you plan your wedding transportation to ensure that it goes smoothly. All of our vehicles have been designed with brides in mind. Limousines are equipped with large opening doors for easy access. We have an extensive collection of suitable decorations and we also offer a soft refreshment package for the bridal party.

Call now and make an appointment to view our vehicles. After selecting a vehicle, we will spend some time reviewing your itinerary and customise an affordable package that suits your requirements.
